Flexible redemption

Contributors can use their accumulated points across the entire imported and configured Amazon catalog.

Impact on culture

It strengthens motivation and loyalty, consolidating corporate culture through tangible and varied rewards.

Axosmoney Rewards

Implementation

Axosmoney Rewards: Implementation

To enable integration with **Amazon Business**, the administrator must confirm that the Rewards add-on is active in their subscription.

1. Acces

Login in to the *Subscriptions and Plans* module in ACS Management.

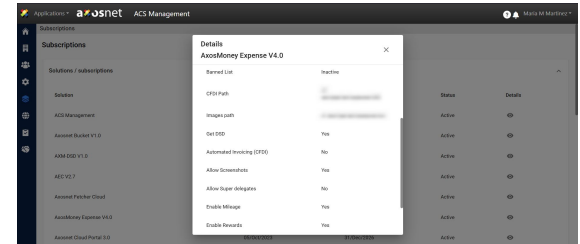

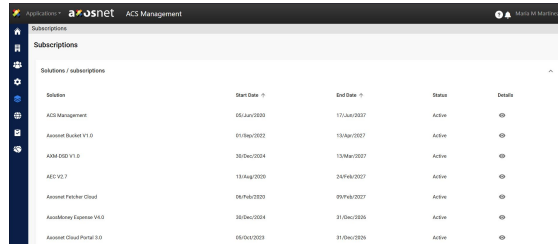

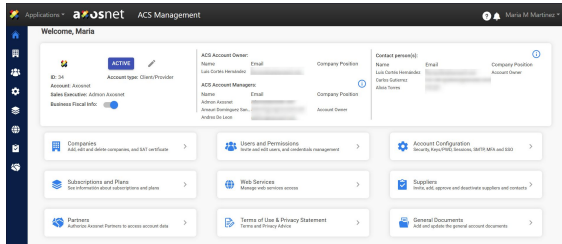

2. Verification

Go to your Axosmoney subscription details and locate the “Rewards” sección.

3. Confirmation

Make sure the status is set to Yes.

Is it not showing as Yes? Contact our Sales Team to activate it.

Once the subscription has been validated, the Rewards administrator must proceed with the **technical implementation**:

1. Navigation

Access *Rewards Products* in Axosmoney Rewards.

2. Selection

Select the *Import Products* option*.

*Set up your Amazon Business account to import products to AxosMoney.

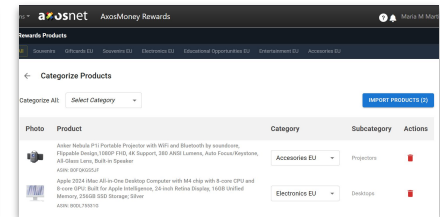

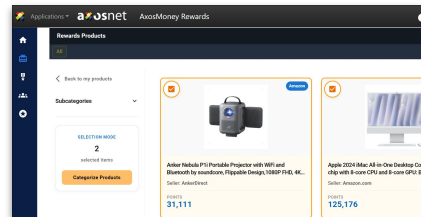

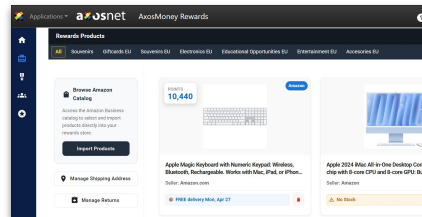

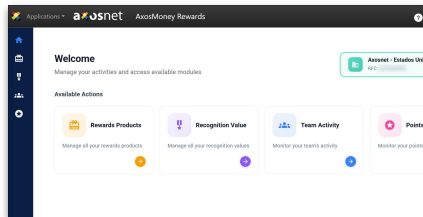

3. Categorization

Categorize products according to your internal policies.

4. Verification

Import the products and confirm their correct allocation.
